HARCOURT BUTLER TECHNICAL UNIVERSITY

NAWABGANJ, KANPUR - 208002, U.P., INDIA

(Formerly Harcourt Butler Technological Institute, Kanpur)

Computer Science and Engineering Department, HBTU Kanpur

Inauguration of FCIT

Organised by

Department of CSE, HBTU Kanpur on

1. Title of the Event

Inauguration Ceremony of FCIT (Fraternity of Computer Science and Information Technology)

2. Organizing Department

Computer Science Department

In collaboration with

FCIT – Fraternity of Computer Science and Information Technology

Harcourt Butler Technical University (HBTU), Kanpur

3. Date & Venue

- **Venue:** Seminar Hall / Lecture Hall, HBTU Kanpur
- **Date:** 22 November 2025

4. Participants

- Honourable Faculty Members of HBTU Kanpur
- Office Bearers of FCIT
- Research Scholars
- Undergraduate and Postgraduate Students

Total Participants: [Approximate 100 +]

5. Objective of the Event

The inauguration of FCIT aimed to:

- Establish a formal academic and technical student fraternity
- Encourage technical learning, innovation, and collaboration
- Provide a platform for students to engage in research, workshops, and expert lectures
- Strengthen interaction between faculty members and students

6. Event Proceedings

The inauguration ceremony of FCIT was conducted with great enthusiasm and active participation at HBTU Kanpur. The event commenced with a warm welcome extended to the respected faculty members, dignitaries, and students.

The program began with an introductory address highlighting the vision and mission of FCIT. The importance of forming a dedicated fraternity for Computer Science and Information Technology students was emphasized, focusing on academic excellence, research culture, and industry readiness.

The presence of senior faculty members added immense value to the event. They addressed the gathering and shared their insights on the evolving role of computer science and information technology in academia and industry. Their motivating words encouraged students to actively participate in FCIT initiatives and make the most of the opportunities provided by the fraternity.

A symbolic inauguration marked the formal launch of FCIT, followed by applause from the audience, reflecting collective excitement and support for the initiative.

7. Highlights of the Event

- Formal launch of FCIT at HBTU Kanpur
- Inspirational addresses by senior faculty members
- Active participation from students across various academic levels
- Interactive discussions between faculty and students
- Group photographs capturing memorable moments of the inauguration.

8. Faculty & Guest Interaction

Faculty members interacted with students, sharing valuable guidance on:

- Academic growth and research opportunities
- Importance of technical societies and student-led initiatives
- Building leadership, teamwork, and professional skills

Their encouragement motivated students to contribute actively to FCIT activities such as workshops, seminars, hackathons, and technical talks.

9. Student Participation

Students enthusiastically participated in the event, showing keen interest in joining FCIT and contributing to its future activities. The large turnout reflected strong student support and the relevance of such a fraternity in fostering technical excellence.

10. Outcome of the Event

- Successful inauguration of FCIT
- Strengthened bond between faculty and students
- Increased awareness about FCIT's objectives and activities

- Positive response and motivation among students

11. Conclusion

The inauguration ceremony of FCIT at HBTU Kanpur was a grand success. The event marked the beginning of a promising journey for the Fraternity of Computer Science and Information Technology, aimed at nurturing technical skills, research aptitude, and professional growth among students. The support and guidance from faculty members ensured a strong foundation for FCIT's future endeavours.

12. Acknowledgement

The organizing team sincerely thanks the respected faculty members, student volunteers, and participants for their valuable contribution and support, which made the FCIT inauguration event successful and memorable.
