Dear Faculty Members,

We are going to organize an invited talk on "Incubation and entrepreneurship" tomorrow by Mr. Veeresh Singh, CEO, NIF Incubation and Entrepreneurship Council, DST, GoI. Please join this talk whose time and space coordinates are described below.

Ashutosh.

The detail is as under.

Date and time: 3:30 pm., Tuesday 12.08.2025

venue: ET department

Title of the talk: **Understanding Technology Innovation and Entrepreneurship**

The talk will cover the concepts of innovation and entrepreneurship, explaining how creative ideas evolve into viable enterprises that address real-world needs. It will outline the journey from idea evaluation and prototype development to market deployment. It will provide information about the key enablers of success and the extensive government initiatives that provide regulatory, infrastructural, mentorship, and funding support.

About the speaker:

Mr. Veeresh Singh, Electronics Engineering graduate from NIT Hamirpur has around 15 years of diverse experience in fostering technology innovations, entrepreneurship, & start-up ecosystems and is passionate about innovation-led inclusive growth. As CEO of NIF Incubation and Entrepreneurship Council (NIFentreC), he leads the incubation and commercialisation of grassroots innovations, supporting 90+ enterprises that have generated significant socio-economic impact across the country. Earlier, as General Manager with the Government of Andhra Pradesh, he played a vital role in developing a state-wide start-up ecosystem.

Mr. Veeresh holds an MBA from Singapore Management University and a B.Tech. from NIT Hamirpur. He began his career at MediaTek, contributing to chipset development for global mobile markets.
