

## **Report on SRAC Meeting for Ph.D. Progress Presentations – Department of Mechanical Engineering**

The Student Research Advisory Committee (SRAC) meetings for the progress evaluation of Ph.D. scholars of the Department of Mechanical Engineering were successfully conducted on 28th May, 29th May, and 1st June 2026. The event provided a platform for research scholars to present the progress of their doctoral work, receive constructive feedback, and discuss future research directions with experts in their respective domains.

A total of 49 Ph.D. scholars participated in the presentations and interacted with the committee members and external experts. The sessions were attended by distinguished academicians, including Prof. D. S. Murty GBPUAT Uttarakand, Prof. P. C. Gope GBPUAT Uttarakand, Prof. Kantesh Balani, IIT Kanpur, Prof. Niraj Sinha, IIT Kanpur, Prof. Rahul Mulik, IIT Roorkee, and Prof. Arun Kumar Tiwari, IET Lucknow.

The experts carefully reviewed the research progress of the scholars and provided valuable suggestions regarding methodology, experimental design, data analysis, and publication strategies. The interactions were highly beneficial and contributed significantly to enhancing the quality and direction of the ongoing research work. The SRAC meetings concluded successfully with recommendations for future milestones and research objectives for the participating scholars. Some photographs of the event are given below.
