100+ YEARS
1921 - 2021

Annual Convention/conference done during the year 2024-25

OleoCon-2025, organized at Harcourt Butler Technical University (HBTU), Kanpur from 28 February to 1 March 2025, served as a premier platform for industry leaders, researchers, and policymakers to exchange knowledge and explore innovations in the oleochemical and vegetable oil sectors. The conference commenced with an inaugural session featuring the registration of delegates, an exhibition visit, and a high tea, followed by the Valedictory Function chaired by Shri Dinesh Shahara. Over the course of two days, participants attended multiple technical sessions that addressed cutting-edge topics such as innovative and sustainable practices in vegetable oil processing, enzyme-assisted refining techniques, next-generation oleo chemicals, and circular economy approaches in the industry. Distinguished speakers from leading organizations, including DESMET, GEA Westfalia, Unilever, Patanjali Foods, FARELABS, IIT Jammu, BIS, and Godrej Ltd., shared their expertise on technological advancements, quality assurance, regulatory compliance, machine learning applications, and eco-friendly process designs. Parallel poster presentation sessions provided additional insights into recent research and industry developments. The event also emphasized green initiatives, including plantation activities and the promotion of sustainable products, fostering awareness of environmental responsibility in the sector. Networking and collaboration opportunities enabled academia, industry experts, and standards bodies to connect, paving the way for future partnerships and innovation.
