Date: 16th Oct 2025

Resource: **Dr Anil Singh**

Participants: UG & PG students & Faculty members

Organised By: **Department of Paint Technology, HBTU Kanpur**

The Paint Technology Department of HBTU Kanpur organized an Expert Lecture on “Epoxy and Polyaspartic Coatings” on 16th October 2025 at the PT Seminar Hall from 3:00 PM to 4:00 PM.

The poster features a background image of a building with palm trees. In the top left corner is the HBTU Kanpur logo. The text is arranged as follows:

**DEPARTMENT OF PAINT TECHNOLOGY
HBTU KANPUR**

Presenting
**Expert lecture
on
"Epoxy and Polyaspartic
Coatings"**

Dr. Anil Singh
Founder - Triton Coating & Linings (TCL)
- Coatings Expert with 30+ years in R&D, Projects & High-Performance Coatings
- EX. Vice Chairman SSPC, India Chapter.

Venue
PT Seminar Hall

Date
16th Oct. 2025

Time
3:00pm - 4:00pm

The session was delivered by **Dr. Anil Singh**, Founder of Triton Coatings & Linings (TCL), a renowned coatings expert with over three decades of experience in R&D, industrial projects, and high-performance coatings. Dr. Singh has also served as the Ex. Vice Chairman of SSPC (India Chapter).

Students actively interacted and gained valuable insights into the future trends and sustainability aspects of modern coatings.

A heartfelt appreciation to Dr Anil Singh for sharing his expertise and enriching the learning experience of budding technologists.
