Sub.: Online training program on "Empowering Agriculture through Computer Technology: A Workshop on Data Management and Analysis, Documentation and Project writing"

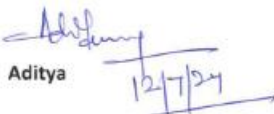

Dear Dr. Rashi,

I am pleased to inform you that our proposal to conduct the 2 weeks' Online training program on "Empowering agriculture through Computer Technology: A Workshop on Data Management and Analysis, Documentation and Project writing" aimed for the scientists of AICRP on Kharif Pulses has been very kindly approved by the Competent authority, ICAR, New Delhi. The registration fee of Rs. 500.00 per participant has also been allowed to meet charges for arrangements such as purchasing Zoom link, resource person's honoraria, physical copy of the certificates to participants, etc. The same will be met from the contingency grant of AICRP on Kharif Pulses by the respective centre.

Accordingly, I will highly appreciate if we could discuss in detail the modalities to organize the program with the tentative dates from July 22 to August 07, 2024 and proceed further in the matter. If required a meeting can be organized to finalize the same.

An early response will be highly appreciated.

Kind regards.

Aditya
