100+
YEARS
1921 - 2021

HBTU, Kanpur is spread across approximately 329 acres area in two campuses - East Campus (77 acres) and West Campus (251.8 acres) which is more than the area required by the AICTE, New Delhi. Main building of the University has been designed and constructed during the British regime and has a very artistic monumental look.

The University has 6 Girls' Hostels and 8 Boys' Hostels with total capacity of 674 girls and 1492 boys. The University has disabled friendly environment for the smooth movement of divyangjan

Important occasions such as Earth Day and Environment Day are organized by involving the students to understand and appreciate nature and contribute to a sustainable environment. Also, there are adequate numbers of residences for Faculty and Staff. The East Campus includes mainly administrative, academic departments, auditorium and other Central facilities.

West Campus is mainly a residential campus for Faculty, Staff and Students. The University Sport's Ground having a National standard and B.C.C.I. approved cricket pitch and ground roller for National level/Inter University level cricket matches. To ensure pollution free and convenient commutation between the two campuses, University provides free cycles and e-rickshaws facility to the students and staff.

Recent developments include construction of new residential houses in East Campus, renovation of existing houses and hostels in West Campus, establishment of millet café and new canteen, renovation of workshop laboratory and library.
