All maintenance activities in the University are conducted in a planned manner as per the Vision and Mission of the University. The Maintenance Policy forms a part of the HBTU's Strategic Plan and consists of well-defined schedules, procedures and rules for the maintenance. The "Building and Works Committee" (BWC) is a principal statutory body as per the HBTU Act, whose role is to decide the development and renovation of new Civil Infrastructure in the University.

The Central Store and Purchase Section of the University, in collaboration with Maintenance and other Section In-charges takes care of the purchase-related activities concerned with the maintenance of various sections. University has Tagore Central Library apart from the departmental libraries developed in every department for the purpose of keeping programme specific books. University laboratories are well equipped with state of the art equipment and facilities with proper stock maintenance.

For day to day pretty maintenance activities, every department is sanctioned an imprest amount of Rs. 5000/-. To provide practical knowledge of the manufacturing, the University has a Central Workshop. Maintenance activities pertaining to the IT infrastructure including Computer Centre, Internet lease lines etc. are managed by the System Manager through a well-defined IT Policy.
