6.5.1 The descriptions of two practices we employ at HBTU, Kanpur are given below:

### 1. Participation in NBA/NAAC and different ranking framework

HBTU has dedicated “Continuing Education and Quality Assurance(CEIQA)” cell which is headed by Dean CEIQA. He is also the secretary of Internal Quality Assurance cell (IQAC). In this section there is separate portfolio of Associate Dean CEIQA, NAAC Coordinator, NBA Coordinator. Most of the departments of HBTU are NBA accredited. University is also going to participate in NAAC. This cell also compile the data for various ranking frameworks by Government and Private agencies like IIRF, India Today, NIRF, and surveys. Regular meetings of IQAC are conducted and review of university performance is done. Feedback is communicated to concerned authorities and sections for improvement in their performance and subsequently reviewed by CEIQA cell and IQAC.

### 2. Feedback from different stakeholders of the University and corrective measures

CEIQA and IQAC also entrusted with the responsibility of devising feedback mechanism, executing the same and finally analyzing as well. The feedback is taken in a manner so as to ensure that the students/Employer/Alumni give their feedback/rating without any apprehension so that improvement, if any can be made. A comprehensive online mechanism is there for the whole process. Feedback is communicated to concerned authorities/sections/Deans/Heads so that corrective measures can be taken.
