b. Counseling

1. There is a dedicated center for women 'Mahila Adhyayan Kendra' which organizes various activities for women empowerment and to encourage and boost the confidence of the girl students including awareness programs on social issues (like dowry, gender equality, girl education, nutrition etc.) and other philanthropic activities like tree plantations, cleaning drives in University campus, nearby villages and primary schools. Lectures are also organized with an aim to provide insight into the success stories of top-notch social workers in order to motivate women through “Mahila Adhyayan Kendra”.
2. Counseling is provided to all girl students residing in hostels through lady wardens/ resident warden to deal with mental stress, psychological trauma etc. (if any) which in turn creates a congenial environment to live.
3. University has a mentor-mentee system in place. Mentors are assigned to all the students at the time of admission itself in order to have effective monitoring and welfare of the students by providing regular counseling/ motivation from time to time.
